Organisation and/or **property description**  
(if landowner/ lawful occupier)

--

Please state your interest in the proposed project (you are welcome to add additional pages if required):

--

**Please assist by completing the questions below. These responses will be utilised to inform the Environmental Impact Assessment Process. Please submit additional pages if more space is required.**

Are you a land owner or legal land occupier within the application area?	
Are you aware of any communities which exist within the application area? Please provide detail and possible contact details.	
Are you aware of any tribal authorities within, or affected by, the application area? Please provide detail and possible contact details.	
Are you aware of any other I&Aps who need to be notified? Please provide detail and possible contact details.	
Please can you provide us with a description of the receiving environment (including land uses such as farming,	

grazing etc.; vegetation; topographical features; Infrastructure; sensitive flora/fauna)?	
Are you aware of any land developments (current or proposed) within the application area that may be relevant to the proposed prospecting operation?	
Are you aware of any cultural or heritage features within the prospecting area and surrounds, please provide detail?	
Please describe any bio-physical and/or socio-economic impacts that you believe should be considered during the study.	
Please describe any measures you believe should be implemented to mitigate, manage, avoid, or remedy the anticipated bio-physical and socioeconomic impacts of the proposed activity.	
Do you have any specific concerns, comments or objections to the proposed project? If so, could you please provide us with information?	

General Comments:

Extreme Geo Services respectfully requests that you please sign this letter and return it to Extreme Geo Services at the details provided to confirm that you have received notification with regard to the above, and to ensure that your comments, concerns and various inputs are recorded. All comments, queries, and concerns must be received via this I&AP registration form and questionnaire or alternate means. Please note that only registered I&APs will be included in future correspondence regarding this Prospecting Right Application and associated Environmental Authorisation process.
